Explanatory Memorandum

Graphitecorp Limited ACN 157 690 830

This Explanatory Memorandum accompanies the Notice of General Meeting of Graphitecorp to be held at the office of McCullough Robertson Lawyers, Level 11, 66 Eagle Street, Brisbane, Queensland on 10 July 2017 at 10am (Brisbane time).

The Explanatory Memorandum has been prepared to assist Shareholders in determining how to vote on the resolutions proposed and ought to be read in conjunction with the Notice of Meeting.

Resolution 1: Ratification and approval of previous issue of Loan Notes to sophisticated and professional investors

Background – acquisition of NOVONIX

- 1 As previously announced, Graphitecorp executed agreements to acquire a two-thirds interest in the leading North American based battery testing equipment and testing services company, NOVONIX. Graphitecorp has now entered into a binding agreement to acquire the remaining one-third interest of NOVONIX for CAD \$1.67 million (the same value as each other third interest acquired), moving to 100% ownership.
- 2 In May 2017, Graphitecorp issued 1,333,335 unsecured convertible loan notes to sophisticated and institutional investors (**Loan Notes**). Each Loan Note:
 - (a) has a face value of \$0.60 per Loan Note;
 - (b) has a term of 13 months;
 - (c) pays interest on redemption at 10% per annum;
 - (d) may be converted, at the holder's election, to one Share; and
 are issued on the terms summarised in Schedule 1.
- 3 The proceeds from the issue of Loan Notes, together with surplus cash arising from previous capital raising cost savings and a small provision of surplus cash in the NOVONIX business, will be used to fund the acquisition of the remaining one-third interest in NOVONIX.
- 4 NOVONIX sells high precision battery testing equipment and services to tier one global customers including CATL, Apple, 3M, Panasonic, Bosch and Dyson, as well as US and Global EV and battery manufacturers. The investor presentation and announcement lodged on ASX on 2 March 2017 set out further detail on the strategic rationale for Graphitecorp's acquisition of NOVONIX.

Listing Rule 7.1

- 5 Resolution 1 seeks approval from Shareholders under Listing Rule 7.4 (and for all other purposes) to ratify the previous issues of 1,333,335 Loan Notes to sophisticated and professional investors.
- 6 Listing Rule 7.1 provides that, subject to certain exemptions, prior approval of Shareholders is required for an issue of equity securities if the securities will, when aggregated with the securities issued by Graphitecorp during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period. The Loan Notes are equity securities

for the purposes of the Listing Rules. Each Loan Note is treated as a Share under Listing Rule 7.1 (reflecting the 'one for one' conversion ratio).

- 7 The issue of Loan Notes detailed in this Resolution did not exceed Graphitecorp's 15% threshold. However, Listing Rule 7.4 provides that where Graphitecorp ratifies an issue of equity securities, the issue is treated as having been made with Shareholder approval for the purpose of Listing Rule 7.1, thereby replenishing Graphitecorp's 15% capacity and enabling it to issue further equity securities up to that limit.
- 8 For the purposes of Listing Rule 7.5, Graphitecorp provides the following particulars:

Allottees	Sophisticated and institutional investors
Number of Loan Notes	1,333,335 Loan Notes
Face value (issue price) of Loan Notes	\$0.60 per Loan Note (\$800,001 total)
Maximum number of Shares to be issued on conversion	1,333,335 Shares
Date of issue of Loan Notes	1,666,668 Loan Notes were issued on 4 May 2017 166,667 Loan Notes were issued on 12 May 2017 Shares issued on the conversion of those Loan Notes will be subject to conversion by the holder (any time until redemption)
Terms of issue	Loan Note terms are summarised in Schedule 1 Shares issued on conversion of Loan Notes will be issued on the same terms as, and rank equally with, existing Shares
Intended use of funds	Part consideration to acquire the remaining one-third interest in NOVONIX taking Graphitecorp's ownership to 100%

Directors' Recommendation

- 9 The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

Resolution 2: Change of Company name

Overview

- 10 Resolution 2 seeks Shareholder approval to effect a change in the Company's name from 'Graphitecorp Limited' to 'NOVONIX Limited'.
- 11 Resolution 2 is a special resolution and can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on the resolution (whether by direct voting or in person, or by proxy, attorney or representative) are voted in favour of this Resolution.
- 12 If Resolution 2 is passed, Graphitecorp must lodge a copy of the special resolution with ASIC within 14 days of the Meeting. The change of name takes effect when ASIC alters the details of Graphitecorp's registration.

Rationale for the Resolution

- 13 Shareholders will be aware that the nature and scope of Graphitecorp's business has expanded following the transactions with two North American groups, Coulometrics and NOVONIX, and

launch of its downstream integration strategy into the high-value, high-growth battery materials market. Specifically, the acquisition of NOVONIX has transformed the business into a supplier of advanced battery materials, equipment and services to the global lithium ion battery market.

- 14 The Board confirms that graphite and graphite-related product development and marketing will remain an important core part of Graphitecorp's overall business. The Board is confident that the proposed new name will help to facilitate an improved understanding of Graphitecorp's businesses and growth strategy while capitalising on the established 'NOVONIX' brand and providing a more generic name for its portfolio of related business activities.
- 15 If Resolution 2 is passed, Graphitecorp also intends to change its ASX ticker code from 'GRA' to 'NVX'.

Directors' Recommendation

- 16 The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

Schedule 1

Loan Note terms (summary)

Face value: Each Loan Note has a face value of \$0.60 (**Face Value**).

Redemption date: Each Loan Note, if not converted, must be redeemed on the date that is 13 months after the issue date and may be redeemed on an earlier date nominated by the Company (**Redemption Date**). If the Company intends to issue a notice of early redemption, it intends to give holders notice of that intention, so holders may convert outstanding Loan Notes.

Payment of redemption: On redemption of the Loan Notes, the Company must pay the holder the Face Value of each Loan Note and all accrued and unpaid interest on such Loan Note, which, irrespective of the Redemption Date, is deemed to be an amount of interest that would have applied to the redeemed Notes had they been redeemed 13 months after the date of issue.

Interest: Interest, at 10% per annum, is payable on each Loan Note and is paid in arrears by the Company on the Redemption Date (with the first and only interest payment to be made on the Redemption Date). No interest is payable if the holder elects to convert the Loan Note.

Conversion on 1 for 1 basis: Each Loan Note converts, at the holder's election, into one fully paid ordinary share in the Company.

Notice of conversion: The holder may, at any time before the Company gives an early redemption notice, elect to convert any number of Loan Notes, in which case the Company must, within 40 business days, issue one fully paid ordinary share in the Company for each Loan Note, apply for quotation of such Loan Note on ASX.

Payments: Payments made on redemption of a Loan Note (including interest) will be paid by transfer to the bank account nominated by the holder from time to time.

Transfer: The Notes may be transferred by an instrument of transfer approved by the Company and accompanied by the relevant Loan Note certificate.

Register: The Company must establish and maintain the register of Loan Note holders and need only recognise the registered holder as the owner of a Loan Note and is not bound to take notice or see to the execution of any trust to which any Loan Note may be subject. Payment to the registered holder shall be a good discharge for the Company notwithstanding any notice it may have of the right, title or interest of any other person to or in the Loan Notes or such moneys. If several persons are entered in the Register as joint holders of any Notes then the payment to any one of such persons of any amount from time to time payable in respect of such Notes will be an effective discharge to the Company for the moneys so paid.

Loan Note certificates: The Company must issue Loan Note certificates to each holder. If any certificate becomes worn out or defaced then upon its production to the Company it may cancel the same and issue a new certificate. If any certificate is lost or destroyed then upon proof to the satisfaction of the Company and upon such indemnity as the Company may require being given, a replacement certificate shall be given to the Investor. Any certificate that is returned to the Company in connection with the conversion or transfer of any Notes must be cancelled by the Company when the conversion or transfer is recorded in the register.

General covenants: The Company agrees with each holder that it will, so long as Loan Notes remain outstanding: (a) comply with the Loan Note terms; (b) maintain its corporate existence; (c) prepare and maintain proper books of account in accordance with the Corporations Act; and (d) notify the holder in writing of any Event of Default or a potential Event of Default as soon as the Company becomes aware of the occurrence.

Events of default: It is an Event of Default if one of the following events occur: (a) **(non-payment)** the Company fails to pay any amount payable under this document at the time that it is due; (b) **(involuntary winding up)** an application or order is made for the winding up of the Company or for the appointment of a liquidator; (c) **(voluntary winding up)** the Company passes a resolution for its winding up; (d) **(receiver)** a receiver, controller (within the meaning of section 9 Corporations Act) or analogous person is appointed to take possession of all, or any part of the assets of the Company; (e) **(insolvency)** the Company: (i) becomes an externally-administered body corporate within the meaning of the Corporations Act; (ii) becomes subject to administration under Part 5.3A Chapter 5 Corporations Act; or (iii) is, or states that it is, or is deemed by applicable law to be, unable to pay its debts; or (f) **(compromise or arrangement)** the Company takes any step for the purpose of entering into a compromise or arrangement with any, of its members or creditors except for the purpose of a reconstruction, amalgamation, merger or consolidation on terms approved by the members of the Company.

If an Event of Default occurs an Investor may by written notice to the Company require the Notes held by such person to be repaid, and the Company must repay such Notes plus the interest accrued on such Notes within 40 Business Days after receipt of such notice.
