## ABOUT NOVONIX

**NOVONIX Limited** (ASX: GRA) (formerly Graphitecorp Limited) is a developer and supplier of high performance materials, equipment and services for the global lithium-ion battery industry and has sales in over dozen countries.

100%-owned subsidiary, NOVONIX Battery Testing Services Inc., is headquartered in North America and develops and sells the most accurate battery cell test equipment in the world now used by leading battery makers and researchers and equipment manufacturers including PANASONIC, CATL, BOSCH, Dyson, 3M, Alcatel-Lucent, DALHOUSIE University, Pacific Northwest National Laboratory, Helmholtz Institute and many other well-known organisations that can't be named for confidentiality reasons.

NOVONIX, via our PUREgraphite joint venture with COULOMETRICS, develops and manufactures ultra-high purity high performance battery anode materials in the USA. PUREgraphite anode materials are aimed at meeting the most demanding lithium-ion battery applications which includes electric vehicle applications.
